Spectacular property located at the end of a cul-de-sac & offers some unique features you won't want to miss! Main home is single level & includes 3 bedrooms, 2 bathrooms, living room with vaulted, open beam ceilings, dining room & family room. Plenty of windows to let in the natural light. Master suite has a large slider to access the private deck & gorgeous backyard. Master bath has walk-in closet, jetted tub & separate shower. The kitchen has been freshly updated with refinished cabinets, exquisite quartz counters & tile backsplash. At the back of the property is a custom addition that must be seen & includes full bathroom, soaring ceilings, an upstairs office & a balcony overlooking a park like backyard. Front & back yards are beautifully landscaped. Multiple rustic redwood outbuildings highlight the western theme of this property.
